

THE SYSTEMIC ARCHITECT

TERMS OF SERVICE

Effective Date: July 29, 2026

These Terms of Service explain the rules for using thesystemicarchitect.com and for purchasing products through Payhip. By using this website or purchasing a product from us, you agree to these terms.

What This Website Does

This website is informational. It directs visitors to The Systemic Shift newsletter on Substack and to our product storefront on Payhip. We do not process payments, store accounts, or offer a login area on this website.

Not Legal, Regulatory, or Compliance Advice

Our website content and products are for educational purposes only and do not constitute legal, regulatory, or compliance advice. Laws evolve. It is your responsibility to consult a qualified attorney familiar with your industry and to verify current requirements for your specific operations, location, and jurisdiction.

Using our products does not create an attorney-client relationship, a consulting relationship, or any guarantee of compliance with any law or regulation.

Products and Purchases

All products are sold as digital downloads through Payhip and delivered instantly upon purchase.

All sales are final. We do not offer refunds on digital products.

Purchases are also subject to Payhip's own Terms of Service, available at payhip.com/terms.

License to Use Our Products

When you purchase a standard product from us, you receive a personal, single-business use license. This means you may:

- Use the product for your own business or with your own clients
- Print or adapt formatting for your own internal use

You may not:

- Resell, redistribute, or share the files with anyone outside your own business who has not purchased them
- Claim the core content as entirely your own original creation
- Upload our products to any shared, public, or resale platform

If you purchased a PLR (Private Label Rights) product, your rights are governed by the separate PLR License Agreement provided with that purchase, which grants rebranding and resale rights not included in a standard purchase.

Intellectual Property

All content on this website, and all non-PLR product content, is owned by The Systemic Architect and protected by copyright. You may not copy, reproduce, or distribute our website content or non-PLR products without our permission.

Prohibited Uses

You agree not to:

- Use this website for any unlawful purpose
- Resell or redistribute non-PLR products
- Represent our products as legal advice or as having been reviewed by an attorney on your behalf
- Scrape, copy, or republish this website's content

Third-Party Services

This website links to Substack and Payhip. Your use of those platforms is governed by their own terms of service and privacy policies, not ours. We are not responsible for their availability, security practices, or content.

Limitation of Liability

To the fullest extent permitted by law, The Systemic Architect is not liable for indirect, incidental, or consequential damages arising from your use of this website or our products, including any business or compliance decisions made based on our materials.

Governing Law

These terms are governed by the laws of the State of California, without regard to its conflict of law principles.

Changes to These Terms

We may update these terms as our products or practices change. The effective date at the top of this page will reflect the most recent update. Continued use of this website after changes take effect means you accept the updated terms.
